

Crafters Weekend

BY CRAFTY MAVENS

This is your time!

The Crafters Weekend is a weekend away from your everyday life. You bring your project and supplies, I will provide the environment for you to relax and enjoy some time and space to create. This is not just for those of us that like to scrapbook, you can bring any craft you like, sewing, quilting, jewelry making and more. If you are not sure what to bring let me know and I can help to get you started with some ideas. But once you go to one of these great weekends you will be hooked on the idea of so much fun and creativity all around you.

The large table space is yours to spread out for the whole weekend. While you are here, breakfast and lunch will be provide and we will have a Friday night pizza dinner together while playing a fun game of "White Elephant." There will be gifts and prizes all weekend. Bring a snack to put on the share table. There will be supplies and items to purchase and on Friday, Grace Yarborough will be offering a relaxing massage at a great price.
